Whilst recent progress has been delayed it is hoped to have this equipment installed at the Village Stores & Post Office later this year.

Parish Circular Walk

Bridport Town Council have recently published a [Round Bridport Green Route](#) and we have published a complimentary Bradpole Parish circular walk which will liaise with the Bridport Route. The [Bradpole Green Route](#) has been produced at no cost by volunteers. However we are looking at ways of improving the mapping and waymarking, possibly by way of grants or sponsorship.

Village Hall

The village hall has been closed under Govt restrictions. As these are lifted, there needs to be in place sufficient volunteers to form a new board of trustees. Currently this is not the case. The Parish Council, which does not own the hall, is in communication with the Charity Commission, on behalf of the community, to find a way forward. If you have not already done so and wish to help please let the [Parish Clerk](#) know. Tel 01308 422140

Bridport Area Neighbourhood Plan (BANP)

The Plan was successful at referendum in February and now forms part of the development plan for the area. It is being used to inform planning decisions whilst protecting our landscape.

[Volunteers are now being sought for a new Steering Group](#) to assist with the Plan implementation.
