

# URGENT

Bradpole VILLAGE HALL (founded 1890) is managed by a team of volunteers which, for a variety of reasons (health, age etc.), has diminished over recent years.

**New volunteers are now required to ensure that the Hall can continue as a community hub for the foreseeable future.**

This is not a matter of finance but more a need for people to step up to help.

A public meeting is planned for the near future, date yet to be fixed.

**In the meantime if you think that you may be able to help please contact:**
